Green synthesis of zinc oxide nanoparticles using seed extract of Citrullus lanatus and its integrated potency against multidrug resistant bacteria

Dr. Mahvish Fatima

Dear Rabia Naz,

Thank you for taking the time to review PLOS ONE manuscript PONE-D-23-21271 'Green synthesis of zinc oxide nanoparticles using seed extract of Citrullus lanatus and its integrated potency against multidrug resistant bacteria.' We greatly appreciate your assistance.

To access a copy of your submitted comments please navigate to the 'Completed Assignments' folder of the Reviewer Main Menu in your Editorial Manager account. Once the editor has proceeded to make a decision you can expect to receive a notification.

Kind regards,
